

LearnKey Releases SQL Server 2005 MCITP Training

St. George, UT – February 20, 2008 – LearnKey, Inc., a premier global provider of self-paced training solutions for corporate, education, government and personal users, releases SQL Server 2005 MCITP Training tract for database administrators.

The LearnKey SQL Server 2005 MCITP training series corresponds with exams MCTS & MCITP Database Administration Certification, exam #'s 70-431, 70-443, and 70-444.

Microsoft Certified IT Professional: Database Administrator MCITP: Database Administrator is the premier certification for database server administrators. This certification demonstrates that you can keep up with your SQL enterprise business solutions 24 hours a day, 7 days a week. “Our experts have done their best to really make this SQL series engaging and relevant for Database and Network Administrators, a must see for anyone who’s working with SQL 2005” said Jamie Franzman, Chief of Operations, Learnkey, Inc.

LearnKey’s SQL Server 2005 MCITP training series is taught by renowned experts Wayne Snyder and Barbara Andrews. Snyder is recognized worldwide as a SQL Server expert and Microsoft Most Valued Professional with over 25 years of experience. Andrews holds a MCITP Database Administrator/Database Developer, MCDBA, MCSE, MCT and MBA with over 13 years of experience. Together they teach step by step how to design a secure, stable, enterprise database solution. Also how to manage or maintain databases or multidimensional databases, user accounts, database availability, recovery, and reporting.

This training series has 22 sessions and over 60 hours of interactive lessons. Each course also includes pre assessment, post assessment, and labs to work along with the experts. This training series will bring your skills current on the SQL 2005 platform. SQL Server 2005 MCITP Series costs \$670.00 for individuals and \$2,345.00 for a multi-user license. The course is available online, and on CD-ROM. The course is available for purchase through http://www.learnkey.com/SQL_Server_2005_mcitp.
